3,624,912 HECTARES PLANTED BY 20 APRIL -- Romania Libera, No 1740, 23 Apr 50

The Ministry of Agriculture has announced that 3,624,912 hectares were planted by 20 April.

In Region 1, 77.8 percent of the planned sowing has been finished. Satu-Mare Judet is leading with 95.8 percent, followed by Bihor with 91.1 percent. Although Arad Judet has a large work potential, only 60.9 percent of the plan has been realized.

In Region 2, 55.7 percent of the planned sowing has been finished. No judet has planted even 80 percent of the prescribed area. The largest judets of this region, Teleorman, Ilfov, Ialomita, Vlasca, and Rumnica-Sarat, have not reached 50 percent.

In Regions 3 and 4, 55.5 percent of the planned sowing has been finished. In Region 3, Someș, Odorhei, Mures, and Alba judets have planted about 70 percent of the planned area; Fagaras Judet is below 50 percent. In Region 4, Dorohoi Judet is leading.

In Region 5, only 44.4 percent of the planned sowing has been finished. Hunedoara Judet is leading and Valcea and Gorj are last.

4,441,808 HECTARES ON 23 APRIL -- Romania Libera, No 1741, 25 Apr 50

The Ministry of Agriculture has announced that 4,441,808 hectares were planted by 23 April. During the past 3 days, some judets have increased the percentage of the planted area by 15 percent. Vaslui, Bacau, Tecuci, Mures, Someș, and Cluj judets have made the best records. Teleorman, Vlasca, Ilfov, Ialomita, Constanta, and Botosani judets are still at the bottom of the list.

4,958,234 HECTARES PLANTED BY 25 APRIL -- Romania Libera, No 1743, 27 Apr 50

A total of 4,958,234 hectares had been planted by 25 April. Satu-Mare Judet was leading, with 102.2 percent of plan realized. The judets which have completed between 95 and 99 percent are Caras, Buzau, Tarnava-Mica, Severin, Bihor, and Someș. Ialomita, Botosani, Teleorman, Vlasca, Constanta, Mehedinți, and Ramnicu-Sarat are still lagging.

13 JUDETS MEET PLANS -- Romania Libera, No 1746, 30 Apr 50

By 28 April, 5,631,255 hectares had been planted. The judets which have fulfilled their sowing plan ahead of schedule are Satu-Mare, Muscel, Arges, Buzau, Odorhei, Dambovită, Sibiu, Teleorman, Bihor, Caras, Braila, Cluj, and Radauti.
